3 Commencement, duration, conditions and extent of insurance cover

3.1 The insurance cover takes effect on the date the card is issued or activated (if it is not activated at the same time as it is issued) and ends with the expiration of the card or the termination of the credit card agreement (at the request of Swissquote or the cardholder) or the termination of the group insurance policy between Swissquote and AGA, on which this insurance is based. If the card was issued before the 01.04.2018, the insurance cover takes effect at the earliest from this date.

3.2 The insurance covers private travel only.

3.3 In order to be insured, at least 50% of the travel / hired vehicle, must have been paid in advance with the card.

4.2 The insured person has a duty to undertake in full his/her contractual or legal obligations with regard to notification, information or conduct (including immediate prompt notification of the insured event to the contact address specified in paragraph I 12).

4.3 If the loss/damage has arisen as a result of illness or injury, the insured person must ensure that the medical personnel providing treatment are freed from their duty of confidentiality with regard to AGA.

6.9 There is no insurance cover if economic, trade or financial sanctions or embargoes of Switzerland are directly applicable to the parties to the policy and which prevent the operation of insurance cover. 7.9 Breakdown
A breakdown is a sudden, unforeseen failure of the insured vehicle as a result of an electrical or mechanical defect, which makes it impossible to continue the journey, or which would make it illegal to continue the journey. 8.2 If an insured person has an entitlement under a different contract of insurance (voluntary or compulsory insurance), the cover is limited to that part of AGA benefits that exceeds that provided by the other insurance contract. Overall costs will only be reimbursed one single time.

8.3 If, despite subsidiary status, AGA has nevertheless provided benefits these shall be regarded as an advance payment, and the insured person and/or beneficiary shall subrogate his/her entitlement to claim against the third party (voluntary or compulsory insurance) over to AGA to the same extent.

8.4 If the insured person eligible claimant receives compensation from a liable third party liable or their insurer, then no compensation is due under this policy. II Special provisions relating to the individual components of insurance

A Cancellation costs

1 Scope in terms of time
Insurance protection begins when the final booking is made, and ends when the insured trip begins. The beginning of the trip is taken as the time the insured person enters the booked means of transport, or the booked accommodation (hotel, holiday home, etc.), if no means of transport has been booked.

2 Sum insured
The sum insured is set out in the summary of insurance benefits.

3 Insurance services

3.1 Cancellation costs
If the insured person cancels the contract with the travel company as a result of an insured event, AGA will pay the contractually owed cancellation costs, up to the amount of the agreed sum insured. Where tickets for an event are not part of a package, an excess of CHF 50.- will be deducted per ticket. Costs charged to the insured person for transfers made following the cancellation of services will be covered only if the transfer concerned is due to an insured event in accordance with paragraph II A1 4. No compensation will be paid for costs, charges or a reduction in credit in connection with the loss or lapse of Air Miles, prize winnings or other usage rights (time-sharing, etc.).

3.2 Delay to start of trip
If the insured person suffers a delay to the start of the trip as a result of an insured event, AGA will pay the following costs instead of the costs of cancellation (up to a maximum of the level of the cost of a cancellation):
- the additional travel costs arising in relation to the delayed departure.
- the cost of the unused part of the stay, proportionally to the insured package price (excluding transport). The date of departure is regarded as a used day of the package.

3.3 The expenses of disproportional or repeated administrative costs or for the insurance premium will not be reimbursed.

4 Insured events

4.1 Illness, injury, death and pregnancy

4.1.1 Severe illness, severe injury, complications of pregnancy or death of the following persons (in so far as the relevant event has arisen after the time of booking or taking out insurance)
- the insured person;
- a person travelling with the insured person, who has booked the same trip and has cancelled it;
- a person who is closely connected to the insured person, but who is not travelling with the insured person;
- a person deputising for the insured person at his/her place of work, if the presence of the insured person is indispensable.
If several insured persons have booked the same journey then a maximum of six persons may cancel in the event of an insured event in accord with the provisions listed above and the amount of the compensation received.

4.1.2 Cover for psychological illness only applies as and when:
- the inability to travel and work is certified by a psychiatrist, and
- the inability to work is proven by providing a confirmation of absence from the employer.
4.1.3 In the event of chronic illness, insurance protection only applies if the trip has to be cancelled as a result of an unexpected acute worsening, as certified by a doctor. It is a prerequisite that the state of health of the insured person was stable and that the person was evidently fit to travel at the time of booking or conclusion of insurance contract.

4.1.4 In the event of pregnancy, insurance protection only applies if the pregnancy occurred after the time of booking the trip or conclusion of insurance contract, and if the date of return is after the 24th week of pregnancy, or if the pregnancy has occurred after the time of booking the trip or conclusion of insurance contract, and a vaccination that would present a risk to the unborn child is recommended for the destination of travel.

4.2 Damage to property at the place of residence
If there has been serious damage to the property of the insured person at his/her permanent place of residence as a result of theft, fire or damage by the elements, and the presence at home of the insured person is therefore indispensable.

4.3 Delay and failure of the means of transport for the outward journey
If it becomes impossible to start the booked trip as a result of a delay or failure of the means of public transport used on the outward journey to reach the point of departure anticipated in the travel package.

4.4 Failure of the vehicle on the outward journey
If the private vehicle or taxi becomes undriveable during the direct trip to the point of departure anticipated in the travel package, as a result of an accident or breakdown. Problems with keys and fuel are not covered by insurance.

4.5 Strikes
If a strike (except strike by the tour operator and/or their service providers) renders the trip impossible.

4.6 Dangers at the destination of travel
If war, acts of terror, unrest of any kind or natural catastrophes at the destination of travel place the life of the insured person in danger, and advice against undertaking the trip is issued by an official Swiss authority (the Swiss department for foreign affairs, the Federal Department of Foreign Affairs (DFA))

4.7 Unemployment / unexpected start of a new job
If the insured person within the 30 days prior to the departure date unexpectedly starts a new job assignment or if the unexpected taking up of employment occurs during the travel period or else if the insured person through no fault of his/her own is made redundant before departure.

4.8 Summons from the authorities
If the insured person unexpectedly receives a summons to appear as a witness or as a juror in a court. The court dates must lie within the period of travel.

4.9 Theft of passport or identity card
If the passport or the identity card of the insured person is stolen immediately before departure, making it impossible to start the trip. NB: Emergency passport offices are located at various airports.

5 Non-insured events and benefits (as a supplement to Paragraph 1.6: Non-Insured events and benefits)

5.1 Poor course of recovery
If an illness or the consequence of an accident, an operation or a medical intervention already exists at the time of booking the trip or conclusion of insurance contract, and recovery is not complete by the date of travel. If recovery from the consequences of an operation/medical intervention already planned at the time of booking the trip or conclusion of insurance contract, but not undertaken until afterwards, is not complete by the date of travel.

5.2 An insured event that has not been established and certified by a doctor immediately before starting the trip
If an event listed under paragraph II A 4.1 has not been determined and certified by a doctor’s certificate mentioning the diagnosis, immediately before starting the trip.

5.3 Cancellation by the travel company
If the travel company cannot fulfil the contractual benefits in full or in part, or cancels the trip, or has to cancel as a result of the actual circumstances, and has to reimburse the costs of benefits not provided on statutory grounds. The actual circumstances, as a result of which the trip would have to be cancelled, would include advice from the Federal Department of Foreign Affairs (DFA) against travel to the affected area.

5.4 Official directives
If official directives make it impossible to carry out the booked trip according to plan.

5.5 Cancellation costs are not insured if the circumstances point to the fact that cancellation is the result of a psychological reaction to a health hazard, a terrorist act, an aircraft accident or a natural disaster or is due to the fear of unrest, war, acts of terrorism or is a result of the fear of flying.

6 Obligations in the event of loss/damage (as a supplement to Paragraph 1.4: Obligations in the event of loss/damage)
In order to be able to call upon the AGA benefits, the insured or the person with the entitlement to claim must cancel the booked trip with the travel company or the person who is renting immediately upon the occurrence of the insured event, and then notify AGA of the loss/damage in writing (see paragraph I 12). The following documents must be submitted:
- AGA claims notification form
- Cancellation invoice
- Booking confirmation
- Documents and official certificates that confirm that the loss/damage has actually occurred (e.g. detailed medical certificate with diagnosis, employer’s certificate, police report, etc.)

If a closely-connected person or member of the family on the same trip is repatriated to his/her place of residence, or the trip has to be interrupted for some other insured reason, and the insured person would have to continue the trip on his/her own, AGA will organise and pay for the extra costs for the additional return journey (first class train ticket, economy class air ticket) for the insured person and/or the insured family member.

2.1.5 Care for under-age children on the same trip
If both parents, or the only parent taking part in a trip, have to be repatriated to their place of residence, AGA will organise additional care for the underage children who would have to continue the trip or return home alone, and will pay the costs for the outward and return journey of a carer (first class train ticket, economy class air ticket).

2.1.6 Premature return travel caused by the illness, injury or death of a closely connected person at home, or depuitising person at the place of work
If a closely connected person at home or a deputy at the place of work becomes severely ill, is severely injured or dies, AGA will organise and pay for the extra costs for the additional return journey (first class train ticket, economy class air ticket) to the permanent place of residence of the insured person.

2.1.7 Premature return travel for other important reasons
If an Insured Person’s property is seriously damaged at home as a result of theft, fire, water or elemental damage, AGA will organise and pay the extra costs (first class rail, economy class air ticket) for the insured person or the insured family member to return to their place of residence.
2.1.8 Temporary return travel
AGA organises and pays, for the same reasons as under paragraphs II B 2.1.6 and II B 2.1.7, the return travel (first class train ticket, economy class air ticket) for an insured person to their place of residence (outward and return trip). The costs for the unused part of the trip will not be reimbursed.

2.1.9 Repatriation of the body in the event of death

Disposal of the lead coffin is also covered.

2.1.10 Return travel caused by unrest, terrorist attacks, natural catastrophe or strike
If it can be proven that unrest, terrorist attacks, natural catastrophes or strikes at the destination of travel make it impossible for the trip to continue, or put the life and property of the insured person at definite risk, AGA will organise and pay for the extra costs for the additional return journey (first-class train ticket, economy-class air ticket) of the insured person.

2.1.11 Return travel caused by failure of the means of public transport as a result of a breakdown or accident
If the means of public transport booked or used for the trip fails as a result of a breakdown or accident, and continuation of the trip is therefore not possible as planned, AGA will organise and pay for the extra return journey or the delayed onward journey of the insured person. Delays and diversions of the means of public transport booked or used do not count as failure.

2.1.12 Effects of the theft of documentation
In the event of the theft of personal documents (passport, identity card, travel tickets and accommodation vouchers), temporarily making it impossible to continue the trip or return to Switzerland, AGA will pay the extra costs of the stay (hotel, cost of transport on site, additional costs for return journey) up to a maximum of CHF 2,000.– per event, providing the responsible police authorities have been promptly informed.

Reimbursement is limited to the amount of the insured cancellation costs. No refunds will be made for the cost of the originally booked return trip home as well as for unused, previously booked accommodation, provided AGA has assumed the costs of alternative accommodation. A benefit is inapplicable if there is an entitlement to a repeat trip as a result of supplementary insurance.
